## HISTORY

Félix Baudot, born 1796, was a great collector of paintings, stained glass, antique stela. These objects were sold by public auction in Beaune in 1882, all proceeds coming to the Hospices de la Charité. This Cuvée comes in equal parts from Genévrières dessous and dessus. The vines are all fully mature or ancient. The youngest (23% of the Cuvée) date from 1979, all the others being older - from 1944, 1948, 1956 and 1964.
